## *LIMITED WARRANTY*

All products are warranted to be free from defects in material or workmanship for a period of one year from date of purchase to the original purchaser. During this time, RPC will, at it's option, credit or replace any defective product. RPC shall not be liable from any consequential or contingent damages, labor expenses, freight costs or injuries arising either directly or indirectly from any defects in these products or from the use of the product. You may have other rights under either State or Federal law, including laws governing warranties.

## *WARNING*

Many parts available in this catalog are intended for "off-highway" applications only. The descriptions in catalog pertain to engine and/or vehicle usage off the public roads. Federal and/or State laws restrict the removal or modification of any required emission control systems on a car or truck. Use of vehicle for off-road purposes may be exempt from these regulations, but check your own Local and State laws.
